

Trinidad and Tobago Prison Service

A force to be reckoned with.

Do you have what it takes?

It takes a special kind of person to serve in the Prison Service. If words

like public service, ethics, integrity, patience, discernment and dependability are serious motivators in your life then you're off to a good start.

Are you ready to serve?

Do your actions exemplify that of a positive role model? If your passion is to make a difference in your Community, you could have the makings of a Prisons Officer.

Take the first step and apply. The application process is tough and thorough. It has to be. We test your resolve in mind and body. Using powerful testing tools, we look at your strengths and weaknesses. In a

surprisingly short time we may know you better perhaps than you know yourself.
